Planning & Zoning Committee Recommendation Summary

Public Hearing Held on May 28, 2020

Zoning Hearing 3111

Recommendation: **Approval**

Applicant(s): Caleb Welsh

Town of Highland

Site Description: NE/SW S12-T7N-R1E also affecting tax parcel 012-0631.01

Petition Summary: This is a request to rezone 30.047 acres from A-1 Ag to AR-1 Ag Res.

Comments/Recommendations

1. This is a nonconforming A-1 Ag lot created in 1999. In 2017, it was found that an outbuilding had been built without the required zoning permit. This petition is to make the lot conforming and eligible for an after-the-fact permit for the outbuilding to resolve the violation.
2. If approved, the lot will be eligible for one single family residence (existing), accessory structures, and limited ag uses, including up to 11 livestock type animal units.
3. The lot was created before the certified survey map requirement was in effect.
4. Per Section 11.0 of the Iowa County Zoning Ordinance, the following standards are to be considered when deciding a zoning change:
 1. The petition is consistent with the Iowa County Comprehensive Plan and the comprehensive plan of any Town affected by said petition.
 2. Adequate public facilities and services (including sewage and waste disposal, water, gas, electricity, schools, police and fire protection, and roads and transportation, as applicable) will be available as required by the petition while maintaining adequate levels of service to existing development.
 3. Provisions of public facilities to accommodate the petition will not place an unreasonable burden on the ability of affected local units of government to provide the.
 4. The petition will not result in significant adverse impacts upon surrounding properties or the natural environment, including air, water, noise, stormwater management, soils, wildlife and vegetation.
 5. The land associated with the petition is suitable for the proposed development and said development will not cause unreasonable soil erosion or have an unreasonable adverse effect on rare or irreplaceable natural areas.
 6. The petition will not be used to legitimize a nonconforming use or structure.
 7. The petition is the minimum action necessary to accomplish the intent of the petition, and

- an administrative adjustment, variance, or Conditional Use Permit could not be used to achieve the same result.
8. The petition will not result in illegal "spot zoning" (i.e. use is inconsistent with surrounding properties and serves only a private, rather than public interest).

Town Recommendation: The Town of Highland is recommending approval.

Staff Recommendation: Staff recommends approval with the condition that an after-the-fact zoning permit be applied for the building in violation within 30 days of County Board approval..
