Planning & Zoning Committee Recommendation Summary

Public Hearing Held on July 29, 2015 Zoning Hearing 2777
Recommendation: **Approval**

Applicant(s): Jay Goldthorpe

Town of Mineral Point

Site Description: part N1/2 NW of S15-T5N-R3E; also affecting tax parcels 018-0162 & 018-0163

Petition Summary: This is a request to rezone 2.24 acres from A-1 Ag to AR-1 Ag Res to create a residential lot for new development with 40 acres zoned with the AC-1 Ag Conservancy overlay for compliance with rural residential density.

Comments/Recommendations

1. The proposed AR-1 lot would allow one single family residence, outbuildings and limited ag uses. The AC-1 sits on top of the underlying A-1 zoning and adds the prohibition of any structures or buildings requiring a county zoning permit.
2. To be consistent with the town and county plans, the proposed AR-1 lot needs to be shown as nonproductive soils as it appears to currently be cropland. The soil test for a septic site shows only 36 inches of soil (at-grade system allowed).

Town Recommendation: The Town of Mineral Point recommends approval and finds there would be no negative impact on surrounding agricultural uses.

Staff Recommendation: Staff recommends approval with the condition that the associated certified survey map is duly recorded within 6 months of zoning approval by the County Board.
