Planning & Zoning Committee Recommendation Summary Public Hearing Held on Sept. 23, 2015 Zoning Hearing 2786 Recommendation: **Approval**

Applicant(s): Todd, Julia, Steve & Karen Oellerich **Town of Waldwick**
Site Description: part SW/NW S27-T5N-R4E; also affecting tax parcel 026-0245

Petition Summary: This is a request to rezone 3.18 acres from A-1 Ag to AR-1 Ag Res to create a residential lot and to zone 36.82 acres with the AC-1 overlay to meet residential density standards.

Comments/Recommendations

1. If approved, the AR-1 lot would be eligible for one single family residence and accessory structures. The AC-1 overlay would allow open space uses but prohibit any buildings that require a county zoning permit.
2. The associated certified survey map has been submitted for review.
3. The associated soil test shows the soils would allow an at-grade septic system, which indicates the soils are fairly shallow.
4. The proposal is consistent with the town and county comprehensive plans as it would not develop prime farmland and preserve 36.82 acres.

Town Recommendation: The Town of Waldwick recommends approval.

Staff Recommendation: Staff recommends approval with the condition that the associated certified survey map is duly recorded with the Register of Deeds within 6 months of the County Board approving the zoning change.
