Planning & Zoning Committee Recommendation Summary

Public Hearing Held on July 29, 2015

Zoning Hearing 2774

Recommendation: **Approval**

Applicant(s): Caren Caraway-Quast

Town of Pulaski

Site Description: part NE/NE of S29-T8N-R2E; also affecting tax parcel 022-0135

Petition Summary: This is a request to zone 32.29 acres from A-1 Agricultural to C-1 Conservancy to resolve a violation.

Comments/Recommendations

1. In 2012, the applicant sold property and retained 32.29 acres, thus creating a lot that violates the minimum lot size of its current A-1 zoning and the land division ordinance.
2. The proposed C-1 district would allow open space uses, prohibits development and allows this size lot.
3. The associated certified survey map is under review, which will satisfy the land division ordinance.
4. The lot gains access to Penn Hollow Rd by easement.
5. The proposal is consistent with the town and county comprehensive plans as it preserves open space and continued forestry (agricultural use).

Town Recommendation: The Town of Pulaski recommends approval.

Staff Recommendation: Staff recommends approval with condition that the associated certified survey map is duly recorded within 6 months of zoning approval by the County Board.
