Planning & Zoning Committee Recommendation Summary

Public Hearing Held on December 30, 2021

Zoning Hearing 3228

Recommendation: **Approval**

Applicant(s): Karter, Kevin & Jill Zajicek

Town of Eden

Site Description: part of the NE/SE of S15-T6N-R2E also affecting tax parcels 010-0653; 0646; 0657

Petition Summary: This is a request to create a 15.473-acre lot by rezoning from A-1 Ag to AR-1 Ag Res. Included is zoning 24.683 acres with the AC-1 Ag Conservancy overlay to comply with residential density standards.

Comments/Recommendations

1. If approved, the AR-1 lot would allow one single-family residence (existing), accessory structures and limited ag uses, included up to 8 livestock type animal units.
2. If approved, the AC-1 district would prohibit any development that requires a zoning permit. This is to comply with the town's 1:40 acre residential density standard.
3. The associated certified survey map has been submitted for formal review.
4. Per Section 11.0 of the Iowa County Zoning Ordinance, the following standards are to be considered when deciding a zoning change:
 1. The petition is consistent with the Iowa County Comprehensive Plan and the comprehensive plan of any Town affected by said petition.
 2. Adequate public facilities and services (including sewage and waste disposal, water, gas, electricity, schools, police and fire protection, and roads and transportation, as applicable) will be available as required by the petition while maintaining adequate levels of service to existing development.
 3. Provisions of public facilities to accommodate the petition will not place an unreasonable burden on the ability of affected local units of government to provide the.
 4. The petition will not result in significant adverse impacts upon surrounding properties or the natural environment, including air, water, noise, stormwater management, soils, wildlife and vegetation.
 5. The land associated with the petition is suitable for the proposed development and said development will not cause unreasonable soil erosion or have an unreasonable adverse effect on rare or irreplaceable natural areas.

6. The petition will not be used to legitimize a nonconforming use or structure.
7. The petition is the minimum action necessary to accomplish the intent of the petition, and an administrative adjustment, variance, or Conditional Use Permit could not be used to achieve the same result.
8. The petition will not result in illegal "spot zoning" (i.e. use is inconsistent with surrounding properties and serves only a private, rather than public interest).

Town Recommendation: The Town of Eden recommends approval.

Staff Recommendation: Staff recommends approval with the condition that the associated certified survey map is duly recorded within 6 months of County Board approval.
