### Planning & Zoning Committee Recommendation Summary

Public Hearing held on November 30, 2023

Zoning Hearing 3386

Recommendation: **Approval**

**Applicant(s):** Ryan & Candy Temperly

**Town of Mifflin**

**Site Description:** NW/NE of S14-T4N-R1E also affecting tax parcels 016-0856, 0856.01

**Petition Summary:** This is a request to enlarge an existing 2.5-acre AR-1 Ag Res lot to 2.779 acres by rezoning from AR-1 Ag Res & A-1 Ag to all AR-1 Ag Res.

#### Comments/Recommendations

1. The intent is to build a shed that straddles the current lot line so the request is to enlarge the AR-1 lot, thus moving the lot line.
2. If approved, the AR-1 lot would be eligible for one single family residence (existing), accessory structures and limited ag uses but no animal units as defined in the Iowa County Zoning Ordinance.
3. The associated certified survey map has been submitted for formal review.
4. Per Section 11.0 of the Iowa County Zoning Ordinance, the following standards are to be considered when deciding a zoning change:
  - 1) The petition is consistent with the Iowa County Comprehensive Plan and the comprehensive plan of any Town affected by said petition.
  - 2) Adequate public facilities and services (including sewage and waste disposal, water, gas, electricity, schools, police and fire protection, and roads and transportation, as applicable) will be available as required by the petition while maintaining adequate levels of service to existing development.
  - 3) Provisions of public facilities to accommodate the petition will not place an unreasonable burden on the ability of affected local units of government to provide those services.
  - 4) The petition will not result in significant adverse impacts upon surrounding properties or the natural environment, including air, water, noise, stormwater management, soils, wildlife and vegetation.
  - 5) The land associated with the petition is suitable for the proposed development and said development will not cause unreasonable soil erosion or have an unreasonable adverse effect on rare or irreplaceable natural areas.
  - 6) The petition will not be used to legitimize a nonconforming use or structure.
  - 7) The petition is the minimum action necessary to accomplish the intent of the petition, and an administrative adjustment, variance, or Conditional Use Permit could not be used to achieve the same result.
  - 8) The petition will not result in illegal "spot zoning" (i.e. use is inconsistent with surrounding

properties and serves only a private, rather than public interest).

**Town Recommendation:** The Town of Mifflin is recommending approval.

**Staff Recommendation:** Staff recommends approval with the condition that the associated certified survey map is recorded within 6 months of the County Board approval of the zoning change.
