### Planning & Zoning Committee Recommendation Summary

Public Hearing held on December 28, 2023

Zoning Hearing 3391

Recommendation: **Approval**

Applicant(s): William Trainor

Town of Brigham

Site Description: W1/2-NE of S26-T7N-R5E also affecting tax parcels 004-0126 & 008-0127

Petition Summary: This is a request to zone 32.78 acres from A-1 Ag to C-1 Conservancy.

#### Comments/Recommendations

1. The A-1 district has a minimum 40-acre lot size, so the proposed lot would require rezoning to be legally created.
2. The intent is to sell this lot for open-space use only, which the C-1 district allows but prohibits structures or buildings .
3. The associated certified survey map has been submitted for formal review.
4. Per Section 11.0 of the Iowa County Zoning Ordinance, the following standards are to be considered when deciding a zoning change:
  - 1) The petition is consistent with the Iowa County Comprehensive Plan and the comprehensive plan of any Town affected by said petition.
  - 2) Adequate public facilities and services (including sewage and waste disposal, water, gas, electricity, schools, police and fire protection, and roads and transportation, as applicable) will be available as required by the petition while maintaining adequate levels of service to existing development.
  - 3) Provisions of public facilities to accommodate the petition will not place an unreasonable burden on the ability of affected local units of government to provide those services.
  - 4) The petition will not result in significant adverse impacts upon surrounding properties or the natural environment, including air, water, noise, stormwater management, soils, wildlife and vegetation.
  - 5) The land associated with the petition is suitable for the proposed development and said development will not cause unreasonable soil erosion or have an unreasonable adverse effect on rare or irreplaceable natural areas.
  - 6) The petition will not be used to legitimize a nonconforming use or structure.
  - 7) The petition is the minimum action necessary to accomplish the intent of the petition, and an administrative adjustment, variance, or Conditional Use Permit could not be used to achieve the same result.
  - 8) The petition will not result in illegal "spot zoning" (i.e. use is inconsistent with surrounding

properties and serves only a private, rather than public interest).

**Town Recommendation:** The Town of Brigham is recommending approval.

- 1) **Staff Recommendation:** Staff recommends approval of the zoning change with the condition that the associated certified survey map is duly recorded within 6 months of County Board approval.
