Planning & Zoning Committee Recommendation Summary

Public Hearing held on December 28, 2023

Zoning Hearing 3395

Recommendation: **Approval**

Applicant(s): Renee M. Rizzo

Town of Mineral Point

Site Description: SE/SE of S16-T5N-R3E also affecting tax parcels 018-0168; 0169; 0191

Petition Summary: This is a request to rezone 2.02 acres from A-1 Ag to AR-1 Ag Res with 37.98 acres having the AC-1 Ag Conservancy overlay.

Comments/Recommendations

1. The minimum lot size for the A-1 district is 40 acres, so rezoning is required in order to legally create the proposed lot. The AC-1 overlay is required to comply with the town's 1:40 acre residential density.
2. If approved, the AR-1 lot would be eligible for one single family residence (existing), accessory structures and limited ag uses but no animal units as defined in the Iowa County Zoning Ordinance without a Conditional Use Permit. The AC-1 area would allow all uses allowed in the underlying A-1 district but prohibits all building or structures.
3. The associated certified survey map has been submitted for formal review.
4. Per Section 11.0 of the Iowa County Zoning Ordinance, the following standards are to be considered when deciding a zoning change:
 - 1) The petition is consistent with the Iowa County Comprehensive Plan and the comprehensive plan of any Town affected by said petition.
 - 2) Adequate public facilities and services (including sewage and waste disposal, water, gas, electricity, schools, police and fire protection, and roads and transportation, as applicable) will be available as required by the petition while maintaining adequate levels of service to existing development.
 - 3) Provisions of public facilities to accommodate the petition will not place an unreasonable burden on the ability of affected local units of government to provide those services.
 - 4) The petition will not result in significant adverse impacts upon surrounding properties or the natural environment, including air, water, noise, stormwater management, soils, wildlife and vegetation.
 - 5) The land associated with the petition is suitable for the proposed development and said development will not cause unreasonable soil erosion or have an unreasonable adverse

effect on rare or irreplaceable natural areas.

- 6) The petition will not be used to legitimize a nonconforming use or structure.
- 7) The petition is the minimum action necessary to accomplish the intent of the petition, and an administrative adjustment, variance, or Conditional Use Permit could not be used to achieve the same result.
- 8) The petition will not result in illegal "spot zoning" (i.e. use is inconsistent with surrounding properties and serves only a private, rather than public interest).

Town Recommendation: The Town of Mineral Point is recommending approval.

- 1) **Staff Recommendation:** Staff recommends approval with the condition that the associated certified survey map is recorded within 6 months of the County Board approval of the zoning change.
