Planning & Zoning Committee Recommendation Summary
Public Hearing Held on Jan. 3, 2019
Zoning Hearing 3003
Recommendation: Approval

Applicant(s): Rule Revocable Trust
Site Description: part of the NE/NE of S9-T5N-R2E also affecting tax parcels 014-0572; 0573

Petition Summary: This is a request to create a new residential lot by rezoning 17.48 acres from A-1 Ag to AR-1 Ag Res

Comments/Recommendations

1. The existing A-1 zoning requires a minimum 40-acre lot size, thus the request to rezone the proposed 17.48 acres to the AR-1 Ag Res district.

2. If approved, the lot would be eligible for one single family residence and limited agricultural uses, including up to 8 livestock-type animal units.

3. The preliminary certified survey map has been submitted for review. It proposes a 0.21-acre Outlot, the intent being this land be deeded to the adjoining neighbor to the south. It is recommended this 0.21 acre be described instead by metes and bounds versus as an Outlot so the neighbor can consolidate it by deed without need of another certified survey map.

4. The proposed lot is within Zone 5 of the Iowa County Airport Zoning overlay. The proposal is consistent with airport zoning standards, provided a Fair Disclosure Statement is provided to the buyer informing the land to be within the Airport Affected Area of the Iowa County Airport. The statement is provided by the Office.
**Town Recommendation:** The Town of Linden feels the proposal is consistent with its comprehensive plan and recommends approval.

**Staff Recommendation:** Staff recommends approval with the condition that the associated certified survey map be revised to eliminate the Outlot and it be duly recorded within 6 months of the County Board approving the zoning change and that an Airport Affected Area Fair Disclosure Statement be provided to any buyer.
