Planning & Zoning Committee Recommendation Summary
Public Hearing Held on May 28, 2020
Zoning Hearing 3100
Recommendation: Approval

Applicant(s): Terry Ruchti and Andrew Burkart
Town of Brigham
Site Description: N1/2-NW S12 & SW/SW S1; T5N-R5E also affecting tax parcel 004-1084.A; 1084.B; 1297.A

Petition Summary: This is a request to create an 8.96-acre lot by rezoning from A-1 Ag to AR-1 Ag Res and includes zoning 11.33 acres with the AC-1 overlay.

Comments/Recommendations:

1. The proposed lot doesn't meet the minimum 40-acre lot size to remain A-1, the AR-1 district is being proposed. The AC-1 overlay is required to comply with the residential density standard in the Town of Brigham.

2. If approved, the AR-1 lot will be eligible for one single family residence (exists), accessory structures, and limited ag uses including up to 3 livestock type animal units. The AC-1 district allows open space ag uses but prohibits any structures that require a zoning permit.

3. The associated certified survey map has been submitted for formal review.

4. Per Section 11.0 of the Iowa County Zoning Ordinance, the following standards are to be considered when deciding a zoning change:

   1. The petition is consistent with the Iowa County Comprehensive Plan and the comprehensive plan of any Town affected by said petition.
   2. Adequate public facilities and services (including sewage and waste disposal, water, gas, electricity, schools, police and fire protection, and roads and transportation, as applicable) will be available as required by the petition while maintaining adequate levels of service to existing development.
   3. Provisions of public facilities to accommodate the petition will not place an unreasonable burden on the ability of affected local units of government to provide the.
4. The petition will not result in significant adverse impacts upon surrounding properties or the natural environment, including air, water, noise, stormwater management, soils, wildlife and vegetation.

5. The land associated with the petition is suitable for the proposed development and said development will not cause unreasonable soil erosion or have an unreasonable adverse effect on rare or irreplaceable natural areas.

6. The petition will not be used to legitimize a nonconforming use or structure.

7. The petition is the minimum action necessary to accomplish the intent of the petition, and an administrative adjustment, variance, or Conditional Use Permit could not be used to achieve the same result.

8. The petition will not result in illegal "spot zoning" (i.e. use is inconsistent with surrounding properties and serves only a private, rather than public interest).

**Town Recommendation:** The Town of Brigham is recommending approval with the AC-1 overlay.

**Staff Recommendation:** Staff recommends approval with the condition that the associated CSM be duly recorded within 6 months of County Board approval.
