RESOLUTION NO. 15

REPLACEMENT OF BRIDGE OVER CREEK AT HYDE MILL

Whereas Hydes Mill built in 1850 and located in the historic Hyde community has long been known for its scenic beauty and interest to tourists, and

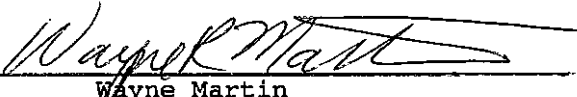

Whereas the replacement of the bridge over the creek at Hydes Mill with a covered wooden bridge would greatly enhance the site and would create much more tourist interest in the site and surrounding area, and

Now Therefore Be It Resolved that the Committee on Resource Development, Tourism and Industrial Development recommend to the Iowa County Board of Supervisors to go on record as supporting the township of Ridgeway on its grant application for funds to construct said bridge.
