

RESOLUTION NO. 16-1195

Whereas there is the requirement for a zoning/land use permit to allow development under the provisions of the Iowa County Shoreland and Iowa County Floodplain Ordinances

Whereas development requiring a permit may not meet the criteria of a building permit

Whereas examples of said development may include filling, dredging, lagooning, grading, material extraction, etc.

Whereas there is considerable time and cost involved in the issuance of said permits

Whereas the undersigned Planning and Zoning Committee recognizes the need to offset the costs of issuing said permits

Now Therefore Be It Resolved that a fee of \$20.00 be assessed to zoning permits issued for specific development in the Shoreland/Wetland and Floodplain Districts of Iowa County which does not also require a building permit under the provisions of the Iowa County Zoning Ordinance.
