\* - Signifies a State-Federal Surface Transportation Program - Bridge (STP-Bridge) project. These STP-Bridge projects are funded through a state level grant program, which is designed to pay 80% of the original costs for the project. The remaining 20% of project total costs are paid by the local government sponsor. Per statute 82.08, these 20% costs can then be split 50-50 or 10% Township and 10% County via this resolution. The other 80% costs of the Township project covered by the federal-state STP-Bridge grant is not illustrated here. The total costs illustrated here are the share of costs borne by the township.

\*\*\* - The County is allowed to charge an administrative fee, which shall be a fixed fee as a percentage of the total costs for administering aid and in accordance with the statute 82.08 shall not exceed the percentage the county charges the state for the Administrative Records and Reports Fee (which is established as 4.56% for 2020).

**THEREFORE LET IT BE RESOLVED** by the Iowa County Board of Supervisors, The County Board does hereby levy a tax to meet said appropriations of **\$87,799.94** on all of the property in the county which is taxable for such purpose.

NOTICE: It is directed that provision for this levy shall be made in the county budget, but that this levy shall not be duplicated.
