

RESOLUTION NO. 9-1119

**COUNTY AID TOWN ROAD BRIDGE CONSTRUCTION UNDER
SECTION 82.08 OF THE STATUTES
COUNTY OF IOWA**

WHEREAS the various township in the County hereinafter named have filed petitions for county aid in the construction of bridges having been performed during 2019 construction season, And

WHEREAS under Section 82.08 of the Wisconsin State Statutes, said petitions are hereby granted, and the county's share is appropriated as follows:

Town	Bridge	Total Bridge Cost to-date	Prior Payments made by Resolution	Amount Raised By Local Units	Amount of County Aid Granted

	TOTAL	\$218,558.29	\$4,480.11	\$109,380.71	\$104,697.47

* - Signifies a State-Federal STP-Bridge program project. The Eligible project costs are the 20% of project total costs paid by the local government sponsor, which is split 10% County and 10% Township. The Township also received some 80% of project costs covered by a federal-state grant, which are not illustrated here.

** - The County is allowed to charge an administrative fee, which shall be a fixed fee as a percentage of the total costs of administering aid and in accordance with the statute 82.08 shall not exceed the percentage the county charges the state for the Administrative Records and Reports Fee (which is established as 4.56% for 2019).

*** - The South Clay Hill Project has some ineligible costs related to the project. The total project cost is \$24,760.49; but the eligible costs for reimbursement are only \$15,511.27. Thus, the Amount of County Aid is based on 50% of the eligible cost or $\$15,511.27 / 2 = \$7,755.63$.

THEREFORE LET IT BE RESOLVED by the Iowa County Board of Supervisors, The County Board does hereby levy a tax to meet said appropriations of **\$104,697.47** on all of the property in the county which is taxable for such purpose.

NOTICE: It is directed that provision for this levy shall be made in the county budget, but that this levy shall not be duplicated.

Dated this 28th day of October, 2019

Chairman, Dave Gollon
