Resolution (No. 24) relative to Rural Area Development was read.

Whereas, the national program called Rural Areas Development has been established by the Congress as a major responsibility of the United States Department of Agriculture, with responsibilities assigned specifically to the various agencies within the USDA; and

Whereas, the Secretary of Agriculture has assigned to the Co-operative Extension Service, nationally, the responsibility for providing the organizational and educational leadership essential to the success of Rural Areas Development, including the involvement of people from all segments of the population in a county; i. e., farming, business, industry, labor, professions; and

Whereas, the overall objective of Rural Areas Development is total economic development in the area or county where it is undertaken; and

Whereas, the Iowa County Extension Office has already done some work of this type in program planning and program projection;

Be it, therefore, resolved that the County Extension Agents in Iowa County, under the direction of the County Agricultural Committee and the University of Wisconsin, be charged with the responsibility for organization and education in Rural Area Development work in Iowa County; and

Whereas, the ideas embodied in Rural Areas Development apply as well in non-rural areas of the county;

Be it further resolved that this work be known as Resource Development work in Iowa County and that the County Extension Agents carry out this expanded program, with such necessary staffing and adjusting of workloads under the Agricultural Committee, as may be mutually agreeable to the County Agricultural Committee and the University of Wisconsin, and in cooperation with other appropriate board committees, industrial committees and groups such as Chambers of Commerce.

Resolution (No. 2) regarding number of committee meetings allowed members of the Agricultural Committee, also serving as Soil and Water Conservation District Supervisors, was read.

To the Honorable Board of Supervisors, Iowa County:

Gentlemen:

Whereas, it is necessary for the Soil and Water Conservation District Supervisors to meet quite frequently on the matter of obtaining easements, borrow pits, right of way, and other matters pertaining to the construction of dams in the Twin Parks watershed; and

Whereas, these same members also serve as members of the Agricultural Committee, as well as members of other committees; and

Whereas, it is impossible to do a proper job on all committees with the present 25 meetings a year clause, which also limits a member to 15 meetings per committee;

Now, therefore, be it resolved that the members of the Agricultural Committee, also serving as Soil and Water Conservation District Supervisors, be allowed to participate in as many meetings as required during the watershed land acquisition program, and that the rate of per diem be the same as County Board per diem and not to exceed \$400.00 per member per year for this committee.

Communication (No. 1) from the Wisconsin County Boards Association relating to County Boards Association dues for 1963 was read.

WISCONSIN COUNTY BOARDS ASSOCIATION

Madison 3, Wisconsin

September 27, 1962

TO ALL COUNTY CLERKS

RELATING TO 1963 DUES FOR THE WISCONSIN
COUNTY BOARDS ASSOCIATION

Gentlemen:

We have received requests from several county clerks asking that we advise them of the amount that should be placed in the county budget to cover Association dues for the year 1963.

Listed below is a detail of the dues for the year 1963 so that you will have the proper amount to place in your budget.

You will note that there is an increase in Highway Research dues over last year. This is in accordance with a resolution adopted at the 1961 Convention of the Wisconsin County Boards Association increasing these dues to 3/16 of 1% of the state aid received for county trunk highways (was 1/8 of 1%). The increased funds are to be used to better analyze county equipment cost operations in order to guarantee counties adequate returns for work performed for the state on state trunk highways.

Your cooperation in seeing to it that this amount is placed in the county budget will be greatly appreciated.

Very truly yours,

Wisconsin Co. Boards Association

Report (No. 21) of the Southwestern Wisconsin Fair Association was read.

AFFIDAVIT OF HARRY S. IVEY, SECRETARY OF
 THE SOUTHWESTERN WISCONSIN FAIR ASSOCIATION OF
 THE CITY OF MINERAL POINT, IOWA COUNTY, WISCONSIN.
 STATE OF WISCONSIN,)
 :SS.
 IOWA COUNTY.)

Harry S. Ivey, being duly sworn on oath, deposes and says:

1. That he is the duly elected, qualified, and acting Secretary of the Southwestern Wisconsin Fair Association of the City of Mineral Point, Iowa County, Wisconsin.

2. That hereinafter appears a statement of the premiums paid by the Southwestern Wisconsin Fair Association in 1962, together with a statement of anticipated state and county aids received thereon:

| | | |
|---|------------|------------|
| Total Open Class Premiums — Livestock | \$2,290.00 | |
| Total Junior Fair Premiums | 3,909.75 | |
| Total Dairy Products Premiums | 46.00 | |
| Total Horticultural Premiums | 41.50 | |
| Total Household and Domestic Premiums | 63.50 | |
| Total Grain and Vegetable Premiums | 43.00 | |
| Total Culinary Premiums | 129.50 | |
| Total Educational Premiums | 196.50 | |
| Total Premiums Paid: | \$6,729.75 | \$6,729.75 |
| Anticipated State aid claimed | | \$6,729.75 |
| Anticipated State Aid Computation: | | |
| 80% of first \$5,000.00 | \$4,000.00 | |
| 50% on excess over first \$5,000.00 or \$1,729.75 | 864.87 | |
| Total Anticipated State Aid: | \$4,864.87 | |
| Less Pro-Rata Deduction of 5% — Anticipated | 243.20 | |
| Net Anticipated 1962 State Aid: | \$4,621.67 | |
| Total County Aid Paid in 1962: | \$5,000.00 | |
| Total Anticipated State and County Aids | | |
| Paid in 1962: | \$9,621.67 | \$9,621.67 |

3. That the excess of anticipated state and paid county aids of Two Thousand Eight Hundred Ninety-one and 92/100 (\$2,891.92) Dollars for 1962 was applied to and used for show administration expenses, additional temporary housing, generally for building and grounds maintenance, and for a junior fair cattle shed at the total cost of Three Thousand Eight Hundred Fifty and 12/100 (\$3,850.12) Dollars that was constructed in 1962, the fair grounds having been subject to serious delayed maintenance as well as the lack of a building program to meet the increased needs, because of the very tight financial program experienced by the fair in the current as well as the years recently past. That it is the considered judgment of your Fair Board that while exhibits and exhibitors may increase during the next year to reduce the past year's overrun, future fair requirements on building and grounds maintenance, including additional housing, will be necessary, and the funds for this have not been forthcoming from operational receipts alone; that the need therefore for continued and increased county aid of Five Thousand and no/100 (\$5,000.00) Dollars per annum will remain with the Southwestern Wisconsin Fair Association until it is able to overcome the delayed maintenance costs on buildings and grounds, including additional housing, accruing in the past.

4. That your affiant makes this affidavit in an effort to comply with the provisions of Section 59.69 of the Revised Wisconsin Statutes and for no other reason.

Further your affiant saith not.

Secretary of the Southwestern
Wisconsin Fair Association of
the City of Mineral Point, Iowa
County, Wisconsin.

RESOLUTION

WHEREAS on January 1, 1962, under the Court Reorganization Law all traffic, and almost all misdemeanor cases, were placed under the jurisdiction of the County Court; and

WHEREAS, the County Court has prior to November 1, 1962, handled 313 traffic cases and 143 criminal cases; last year there were 36 criminal cases, misdemeanors being handled by the Justice of the Peace, thus the increased work of the Clerk of Court's office for 10 months of 1962 over the entire year of 1961, is 107 criminal cases and 313 traffic cases, or a total of 420 cases. Due to this increased work load for the Clerk of Court's office it is only fair that the Clerk of Court should have a full time deputy.

IOWA COUNTY JUVENILE PROBATION DEPARTMENT REPORT

1 9 6 2

TYPE OF MATTERS HANDLED NUMBER OF EACH MATTER

| | |
|--------------------|-----------|
| Traffic | 19 |
| Theft | 14 |
| Delinquent | 5 |
| Dependent | 1 |
| Vandalism | 8 |
| Beer Drinking | 9 |
| Disorderly Conduct | 2 |
| TOTAL | 58 |

These cases were heard in Court and findings made.

Five cases were transferred back to the counties in which the juveniles resided.

Ten cases were referred to the parents for supervision.

Ten offenders over the age of 18 were put under the supervision of the county probation officer.

The balance of the cases were disposed of at the time of the hearing and no further action by this department was required.

Assisted different police departments with their juvenile problems.

Assisted the Sheriff's department, of which I am a member.

Assisted the traffic department with their problems of juvenile drivers.

Assisted the State Patrol, when they were operating in the county, with their juvenile problems.

The over-all picture of the juvenile problem in this county, according to a state report, is "average" for its population. The biggest problem in handling juveniles is dealing with the parents.

During the past year our crusher produced 131,931 cubic yards of crushed stone and our hot plant produced 14,957 cubic yards of bituminous materials.

Your Highway Committee is making every effort to improve the operation of the department by adding more necessary equipment and replacing some outmoded, expensive-to-operate machinery.

We purchased with approval of the County Board a new emergency ambulance which can handle four patients and with the efficient service from the operating crew it is the ultimate in emergency ambulance service.

All our one-way snow plows are the quick hitch type. We purchased a very good used Tornadozer plow and wing for snow removal and this can be used for construction in summer. Also the following machinery and equipment:

- Two Ford tandem trucks.

- Five tractors with mowers, four with loaders - front end.

- One small roller and trailer.

- Two motor graders with snow plows and wings.

- One Go-Devil crane to be used for heavy lifting, and is designed for road use and can be taken to job site if necessary.

- One P. & H. crane to be used for boulder busting in quarry.

Two salt sheds — one erected in Highland and one in Hollandale.

Purchased other tools and machinery necessary for the efficient operation of the department. Also purchased a new car for the Patrol Superintendent.

We wish to express our appreciation to the Honorable Board of Supervisors for their considerations of requests made by the Committee.

We also wish to thank the Commissioner, Patrol Superintendent, Highway Clerk, Deputy Clerks, Foremen, Mechanics, Ambulance Crew, Traffic Patrolmen, Snow Plowing, Salting and Sanding Crews because of their efficiency and availability to be called at any hour so that our highways are kept open and in good condition except in cases when the storms continue to make the operation of equipment dangerous and impractical. Also all our maintenance and construction employees who are very proficient on any job they may be called on to do. Also the personnel from the State Division Office who have been very helpful in all requests by the Committee.

Respectfully submitted:
