2021 Iowa County Highlights

2021 was quite a year. We started 2021 with the International Pandemic in full swing and everyone wearing masks. During the year, our Health Department and Emergency Management Department held more than 85 vaccination clinics for our Iowa County residents. At this time, more than 75% of our population has received at least one vaccination shot.

As a means to help local governments with the costs associated with the pandemic, the federal government has provided Iowa County with \$4.6 million in grant dollars with half of that funding arriving in 2021 and half in 2022. The County has prioritized spending dollars on broadband infrastructure and on some road construction. The County has created a separate fund to assist with the management and tracking of these dollars and the 2022 fund budget can be found in Section J of this document.

The Highway Department moved forward with the reconstruction of County N and NN utilizing the CDBG Grant dollars we were awarded in late 2020. The project included the replacement of several culverts, the existing blacktop was broken up and added to the road base, and a new 4 inch layer of blacktop was added to the surface. During late summer it became evident that the federal government was planning to approve a new infrastructure bill, so the County Board was asked to approve \$500,000 to start the engineering for construction of County T. It is our hope that we will be in a good position to apply for federal funding when it becomes available in order to add to existing state grants and local funding. If everything comes together, County T will be reconstructed in 2022, if not, then we will need to split the project between 2022 and 2023. Lastly, County F engineering has wrapped up and this fall we are purchasing road right of way for another reconstruction project in 2022.

The Sheriff's Office and Emergency Management staff are really looking forward to moving into the new Law Enforcement Center. The \$27 million project is expected to be completed in December of 2021 with our move in completed in February of 2022. The building is substantially larger than the former Sheriff's Department facility, and the County Board has agreed to split the former position of Jailer/Dispatcher into separate positions, so there will be increased operating and staffing costs.

In 2022, Iowa County will begin to receive revenue from the Badger Hollow Solar Farm. These funds will accumulate for the first year in a new fund with spending to start in 2023. The County Board has directed that 80% of these funds be used for highway road improvements and used to cover the debt payments for the County highway reconstruction project. In 2023, 20% of the revenue received will be available for assistance with operating costs.

In 2021, Iowa County was sued by Bard Materials for not granting a zoning change; we participated in a lawsuit against the opioid manufacturers, distributors, and retailers; and continued our lawsuit against the Wisconsin Public Service Commission for their approval of a utility line for American Transmission Company.

One of the major changes county governments are experiencing is the retirement of public service staff that have contributed leadership and guidance on a multitude of issues. In 2021 Iowa County saw the retirement of the Register of Deeds, the Finance Director, the County Clerk, and the UW Extension Area Director.

Lastly, Iowa County hired several department heads in 2021; Echo Bristol was hired as the Bloomfield Administrator, Jamie Gould was hired as the Finance Director, and UW Extension hired Lynn Perkins as the Extension Area Director for our region. We congratulate all three new staff and look forward to their contributions!

Iowa County in 2022

The year 2022 is quickly approaching. Assembling the budget priorities for 2022 has been a fun and exciting endeavor. Iowa County has so much to be proud of and optimistic about. The 2022 budget has been redesigned to offer more information and insight into county operations and budgeting. The planning effort started back in June of 2021 and won't wrap up until the County Board adopts the final budget on November 9th, 2021. As we started the budget process, there were specific priorities that helped Departments establish their budget proposals:

- Iowa County will increase the operating tax levy to the amount equal to the Net New Construction figures supplied by the State of Wisconsin. This should mean that the operating tax levy rate stays flat and does not increase or decrease (see Levy Limit Law).
- Iowa County will keep our mill rate flat. This means that as our County's Equalized Value increases, our ability to fund one-time capital items increases. Iowa County sets these priority purchases in our Capital Improvement Plan. The County Administrator then fine tunes the purchasing plan and includes capital items in the budget before you.
- When Iowa County decided to build a new Law Enforcement Center, it decided that the position of "Jailer/Dispatcher" would be separated into two positions; "Jailer", and "Dispatcher". This required the hiring of six additional staff members. 2022 will be our final year of adding this expense into our Sheriff's Department budget. A funding accomplishment that I am happy to report is now complete.

Beyond these three major goals, Iowa County has a few other plans for 2022. Here are a few projects included in this budget:

1. **Broadband:** Iowa County has applied for several broadband grants in partnerships with area internet service providers. In late 2021, we hope to find out if any of our grant applications will be funded and will then need to work on construction details in 2022 if they are funded.
2. **County Highway Construction:** County Highway F is planned for construction in 2022 and is part of the budget document. In 2021, the engineering was also started for County Highway T. There is partial funding in the 2022 budget as part of the Highway Department, state grant funds, and as part of the ARPA Fund. County staff also plan to apply for federal funding should a grant opportunity arise shortly.
3. **Lawsuits:** Iowa County was sued by Bard Materials. We lost that case and are now in the appeals process. There is no funding to support this case included in the 2022 budget. Iowa County was part of multi-county effort that sued Opioid Manufacturers, Distributors, and Retailers. The first settlement of three planned settlements should be

announced in early 2022, making dollars for opioid treatment available by end of 2022. This funding is not reflected in the 2022 budget.

4. ARPA Funding: In 2021, Iowa County received \$2.3 million in assistance from the American Recovery Program Act. We anticipate receiving another \$2.3 million in 2022. Included in this budget is a breakdown of 2022 spending for the ARPA Fund.
5. Staffing: Iowa County will be keeping health insurance contributions at 82% of the lowest cost plan in the 2022 fiscal year. This budget also includes a 3% increase to the wage grid. In addition, there are a number of position changes occurring (please see "2022 Authorized Positions" for more information).
6. On December 11, 2021 Iowa County will hold an open house at the new Law Enforcement Center. By March 2022, it is anticipated that all of the staff will be working out of the new facility.

2022 Budget Timeline

6/7/2021	Distribute Copies of the Budget Timeline to all Departments and County funded organizations.
June	Long Range Planning Committee approves 5 yr. Capital Improvement Plan.
June	County Board approves 5 yr. Capital Improvement Plan.

8/27 – 9/07/21	Departments meet one on one, on an “as needed” basis with the County Administrator and the Finance Director.
September	Health insurance information (rates) is received from Employee Trust Funds and the Employee Relations Director and Finance Director analyze the rates and do calculations to prepare a recommendation for the General Government and Executive Committees.
September	Departments discuss their proposed 2022 budget with their governing Standing Committees. No action should be taken.
9/14/21	Executive Committee recommends the health insurance rates for the 9/21/21 County Board meeting and County Administrator presents preliminary budget summary.
9/21/21	County Board meets and sets the 2022 health insurance rates and reviews the preliminary 2022 budget documents.

- 9/22-9/29/21 Finance Department staff rework fringe for health insurance rate changes for all budgets and update the budget documents for health insurance changes and any other changes for the 2022 budget.
- 9/23/21 Department Heads meet and discuss the 2022 health insurance rates and proposed 2022 budget.
- 10/12/21 County Administrator presents updated budget to Executive Committee. Committee recommends a market adjustment to the pay plan matrix beginning 1/1/22.
- 10/19/21 County Board reviewed the draft budget and tentatively set the 2022 County Budget. The County Board approved the market adjustment to the pay plan matrix.
- 10/20/21 Finance Department compiles the budget information to be published in the October 21st edition of the Dodgeville Chronicle.
- 10/22/21 Publish 2021 tentative budget and levy information in the official newspaper (Dodgeville Chronicle).
- 11/2/21 Executive Committee reviews & recommends the final budget for the County Board.
- 11/9/21 Public budget hearing and County Board adopts the 2022 budget and levy.
- 12/2/21 Finance Director files the County Tax Levy worksheet with the Department of Revenue (this is due 12/15/2021).

After the November 9th meeting, the Finance Department prepares the final 2022 budget documents, distributes it to County Departments and has the IT Department put the document on the Iowa County website.

Throughout the budget process as new information is generated, additional changes will be made to the proposed 2022 budget document. Net New Construction, anticipated grant revenues, sales tax projections, state shared revenue, utility payments, and general transportation aids all impact the budget and are all numbers generated throughout the process.

To the County Board of Supervisors - Iowa County:

I want to thank the Iowa County Board of Supervisors and the citizens of Iowa County for your support in funding a new Law Enforcement Center in Iowa County. This project has seen a long road to fruition and it was made possible through the efforts of staff, County Board members and citizen members who seen the need to replace an aged facility with a goal to improve services to the community.

This new building is no doubt a significant investment, an investment that has many benefits to the communities we serve as well as more opportunities for the individuals that are incarcerated in the facility to make changes prior to their release. There are rooms that can be used for training and community events in the public areas, rooms that can allow more programming activities and rooms for mental health care and work opportunities for inmates in the jail. A 911 Emergency Dispatch that is dedicated to serving the needs of First Responders during every day calls for service and is equipped for the large high priority incidents that can occur at any time.

The design of the structure allows better work flow with everyday tasks. In the jail the flow of work makes it safer and secure for staff and the public. Inmates are also housed more appropriately to their classification. The Sheriff, Coroner and Emergency Management Offices are under the same roof, allowing more opportunities to have training and better continuity in our working relationships versus being in separate buildings.

Investments in County infrastructure are an important factor for the reasons mentioned above and more, but there is an impact on retaining staff as well as recruiting new staff that will consider Iowa County for employment and raising a family in Iowa County in the future.

This building could not have been possible without input from staff, former and current County Board members, members of the public and other Counties that help create and budget for what many of us involved consider a well thought out plan for the new Law Enforcement Center.

Thank you for your support.

Iowa County Compensation - Carlson Dettmann Study

Before the State of Wisconsin Adopted Act 10, Iowa County used Carlson Dettmann Consulting to create a wage structures for Iowa County Department Heads and non-management non-represented staff. A matrix plan was implemented by Carlson Dettmann in 2001. Carlson Dettmann has had a long-standing relationship with updating the original matrix in 2004 and completed a new study in 2009.

After Act 10, the Iowa County Board approved Administration to work on a wage structure for all staff excluding the Sheriff's Office represented employees. In 2014, Iowa County hired Carlson Dettmann Consulting to create a Classification/Compensation Wage Structure. The following were decisions the Administrative Services Committee made to set parameters for the study:

- What markets does the County want to use for comparison?
 - Committee decided on the following twelve (12) Counties: Dane, Columbia, Green, Sauk, Dodge, Jefferson, Lafayette, Grant, Monroe, Crawford, Richland, Juneau and Vernon. Private Sector data included Bureau of Labor Statistics, Greater Madison Area Society of Human Resources Management and Leading Age Wisconsin Nursing Home Survey.
- Where does the County want to position itself in its labor markets (high, low, average)?
 - Committee decided and recommended to approximate the market rate.
- What type of pay structure does the County want (General increases: steps, pay-for-performance, and combination of the two)?
 - Committee decided on using a combination plan to include step from entry to market (Control Point) and Pay-for-Performance after Step 6 (Control Point) to maximum. The spread of the grid was 90% (entry) top 120% (maximum) with Step 6(Control Point) approximating the market.

Carlson Dettmann evaluated positions based upon information from employees that was captured on a Job Description Questioner (JDQ). Carlson Dettmann objectively evaluated positions based upon the following five factors (evaluation is not based upon employees within those positions):

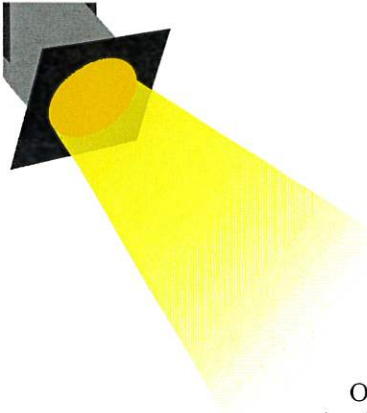

- ❖ Education and required experience
- ❖ Decision-making
- ❖ Thinking challenges
- ❖ Communications
- ❖ Working conditions

Positions were assigned a point value, which determined what grade classification the positions were in.

Throughout the wage study process, Carlson Dettmann Consulting communicated with Department Heads on follow up questions or clarifications needed to fully evaluate the positions.

In September 2014, the County Board adopted the Classification/Compensation Wage Structure by Resolution 4-0914 and it was implemented on October 5, 2014. Carlson Dettmann benchmarked 42 positions, establishing a wage structure of 18 pay grades.

One of the last steps in the Classification/Compensation study was to provide an opportunity for staff to appeal the decision made regarding their position's grade classification by providing a written explanation along with providing sound data/information.

Over the years, the County Board has been committed to maintaining the wage structure. Below is a list of all market adjustments or market analysis completed since the implementation of the Classification/Compensation Wage Structure:

- January 1, 2016: wage structure was adjusted by 1.5%. Employees beyond the Control Point also received a one-time Cost of Living Adjustment of 1.5% (Resolution 7-1015).
- Market Adjustment Analysis: Fall 2016: Showed Iowa County's structure was slightly below market estimates for 2017. The overall market index of the present plan is 95% measured against data aged to 2017.
 - January 1, 2017: wage structure was adjusted by 2.25%. Employees beyond the Control Point also received a .75% increase in wages (Resolution 9-1116).
 - January 1, 2018: wage structure was adjusted by 2.25% (Resolution 7-1017). Step 1 of the wage structure was removed from the structure.
 - July 1, 2018: wage structure was adjusted by 2.5% (Resolution 7-1017).
 - January 1, 2019: wage structure was adjusted by 2.5% (Resolution 8-1018).
- Market Adjustment Analysis: Fall 2019: Showed Iowa County's 2019 pay structure is approximately 2.5% below the target market estimate when measured against data aged to 2020.
 - January 1, 2020: wage structure was adjusted by 2.5% (Resolution 8-1019).

- January 1, 2021: wage structure was adjusted by 2% (Resolution 8-1020).

The adjustment is applied to Step 6 (Control Point) and each step is a percentage of the Control Point.

The Employee Relations Director has included funds in the 2022 budget to have a Market Adjustment Analysis completed.

Since implementation of the Classification/Compensation Wage Structure the County has provided Market Adjustments with the exception of years 2016 and 2017. Market adjustments adjust the grid to reflect how the market is performing. For example, if the market increases 3%, adjusting the Control Point (for Iowa County, the Control Point is approximating the market value) would maintain our structure as originally designed.

As positions evolve over time, new duties and responsibilities may be added to positions. When this occurs, Department Heads and Managers define what the essential functions of the job are and define what changes have occurred within the position. A reclassification is requested to determine if the job placement on the wage structure has changed due to increased job functions/duties. The same process is used when creating new positions.

RESOLUTION NO. 09-1121

RESOLUTION ADOPTING THE 2022 IOWA COUNTY FEE SCHEDULE

THE HONORABLE IOWA COUNTY BOARD OF SUPERVISORS:

WHEREAS, the Iowa County Board of Supervisors has established department fees for various services; and

WHEREAS, from time to time the Iowa County Board of Supervisors determines that the fees charged for services provided by Iowa County needs to be reviewed and updated; and

WHEREAS, the Iowa County Board has reviewed the attached fees from all the Iowa County Departments and has determined that the fees offer a reasonable charge for services.

NOW THEREFORE, BE IT RESOLVED, by the Iowa County Board of Supervisors that Iowa County's 2022 Service Fees are established and set as per the attached 2022 Fee Schedule.

The above and foregoing Resolution was duly adopted by the Iowa County Board of Supervisors this 9th day of November, 2021.

Iowa County, WI

Annual Comment on Iowa County

Issuer Profile

Iowa County is located in southwestern Wisconsin. The county seat of Dodgeville is approximately 35 miles west of Madison. The county has a population of 23,618 and a low population density of 31 people per square mile. The county's median family income is \$81,430 (1st quartile) and the January 2021 unemployment rate was 4.4% (2nd quartile) ². The largest industry sectors that drive the local economy are retail trade, farm employment, and local government.

We regard the coronavirus outbreak as a social risk under our environmental, social and governance framework, given the substantial implications for public health and safety and the economy. We do not see any material immediate credit risks for Iowa County. However, the situation surrounding coronavirus is rapidly evolving and the longer term impact will depend on both the severity and duration of the crisis. If our view of the credit quality of Iowa County changes, we will update our opinion at that time.

Credit Overview

The credit position for Iowa County is very high quality, and its Aa2 rating is level with the US counties median of Aa2. The notable credit factors include a robust financial position, a healthy wealth and income profile and a solid tax base. It also reflects an affordable debt burden and a mid-ranged pension liability.

Finances: The financial position of the county is very strong and is relatively favorable in comparison to the assigned rating of Aa2. The fund balance as a percent of operating revenues (74.3%) far exceeds the US median, and grew slightly between 2015 and 2019. Furthermore, the cash balance as a percent of operating revenues (98.2%) is far superior to the US median.

Economy and Tax Base: The economy and tax base of the county are strong. The full value per capita (\$93,042) is stronger than the US median, and increased markedly from 2015 to 2019. Moreover, the median family income equates to a solid 105.4% of the US level. Lastly, the total full value (\$2.2 billion) is below other Moody's-rated counties nationwide.

The coronavirus caused an unprecedented economic slowdown. We currently forecast US GDP to gradually recover in 2021. Local governments with the highest exposure to tourism, hospitality, healthcare, retail, and oil and gas could have a much slower recovery.

Debt and Pensions: The debt and pension liabilities of Iowa County are affordable overall. The net direct debt to full value (0.1%) is slightly lower than the US median, and remained

stable from 2015 to 2019. In addition, the Moody's-adjusted net pension liability to operating revenues (1.4x) is on par with the US median.

Management and Governance: Wisconsin counties have an institutional framework score ³ of "A", which is moderate. The sector's major revenue source, property tax revenue, is subject to a cap which limits increases to amounts represented by net new construction growth. However, counties may implement a 0.5% sales tax, which diversifies operating revenue. Revenues and expenditures tend to be predictable. Across the sector, fixed and mandated costs are generally moderate. Counties have a high ability to reduce expenditures, as workforces are mainly comprised of non-public safety employees, for whom collective bargaining is limited.

Sector Trends - Wisconsin Counties

In May 2020, the Wisconsin Supreme Court overturned the state's "safer at home" order, lifting previous restrictions on non-essential businesses and public gatherings. However, the lifting of social distancing mandates will vary by region and will affect how quickly economic activity returns to normal or near-normal levels. Sales tax revenues are expected to decline given restrictions on consumer activities. Unpaid real estate taxes are generally retained at the county level for subsequent collection, increasing county exposure to any tax delinquencies related to broader economic pressures caused by the coronavirus pandemic. Wisconsin counties with significant exposure to nursing homes may experience challenges affecting the health care industry. Most Wisconsin counties participate in the Wisconsin Retirement System, which is relatively well-funded. Overall, fixed costs are manageable and not a pressure for counties.

Endnotes

- 1 The rating referenced in this report is the issuer's General Obligation (GO) rating or its highest public rating that is GO-related. A GO bond is generally backed by the full faith and credit pledge and total taxing power of the issuer. GO-related securities include general obligation limited tax, annual appropriation, lease revenue, non-ad valorem, and moral obligation debt. The referenced ratings reflect the government's underlying credit quality without regard to state guarantees, enhancement programs or bond insurance.
- 2 The demographic data presented, including population, population density, per capita personal income and unemployment rate are derived from the most recently available US government databases. Population, population density and per capita personal income come from the American Community Survey while the unemployment rate comes from the Bureau of Labor Statistics.

The largest industry sectors are derived from the Bureau of Economic Analysis. Moody's allocated the per capita personal income data and unemployment data for all counties in the US census into quartiles. The quartiles are ordered from strongest-to-weakest from a credit perspective: the highest per capita personal income quartile is first quartile, and the lowest unemployment rate is first quartile.

- 3 The institutional framework score assesses a municipality's legal ability to match revenues with expenditures based on its constitutionally and legislatively conferred powers and responsibilities. See [US Local Government General Obligation Debt \(July 2020\)](#) methodology report for more details.
- 4 For definitions of the metrics in the Key Indicators Table, [US Local Government General Obligation Methodology and Scorecard User Guide \(July 2014\)](#). Metrics represented as N/A indicate the data were not available at the time of publication.
- 5 The medians come from our most recently published local government medians report, [Medians - Tax base expansion bolsters revenue, but pensions remain a hurdle \(May 2020\)](#) which is available on Moodys.com. The medians presented here are based on the key metrics outlined in Moody's GO methodology and the associated scorecard.

2022 & Beyond

As we complete the 2022 budget cycle, several outstanding topics and challenges remain for Iowa County to look forward to. Here is a short list of the major things to think about and discuss:

1. Bloomfield Health and Rehabilitation Center.
2. Wind Turbines. In 2022, I anticipate that Iowa County will have an opportunity to develop revenue from a wind turbine development. I anticipate that there may be a request forthcoming for Iowa County to consider having turbines located on the County Farm.
3. Sheriff's Department & Jail. The new building will be completed shortly, what do we do with the old building?
4. Judicial Branch: In late 2021, Judge Koehler announced that she would not seek another term of office. A new judge will be elected in 2022. Iowa County is building a second courtroom in 2022 in anticipation of a second judge. Will the State of Wisconsin fund a second judge? Will there be competition for a judicial seat in 2022? What security changes will occur as this transition occurs?
5. ARPA Funding: Iowa County needs to find a way to invest funds in a way that provides a return over time and addresses long term problems. Iowa County may never see such a large infusion of funding again for many years. Are we spending it in a way that offers the most in return?

RESOLUTION NO. 12-1121

RESOLUTION AWARDING THE FINANCING FOR HIGHWAY CAPITAL PROJECTS

WHEREAS, on November 10, 2020, the County Board of Supervisors of Iowa County, Wisconsin (the "County") adopted an initial resolution (the "Initial Resolution") authorizing the issuance of a financing through the State Trust Fund Loan Program (STFL), promissory notes, or through a financial institution in the amount of \$240,000 for Highway Department capital equipment (the "Project");

WHEREAS, it is necessary and in the best interest of the County to issue financing in the principal amount of \$240,000 pursuant to Chapter 67 of the Wisconsin Statutes and as authorized by the Initial Resolution, to finance the costs of the Project;

NOW, THEREFORE, BE IT RESOLVED by the County Board of Supervisors of the County that: the County of Iowa, Wisconsin, borrow from Farmers Savings Bank the sum of \$240,000 for the purpose of financing the purchase of Highway Capital Projects and for no other purpose. The loan is to be payable within six (6) months from the date of loan is made. The loan will be repaid in one installment with interest at the rate of 0.95 percent per annum.

RESOLVED FURTHER, that there shall be raised and levied upon all taxable property, within the County of Iowa, Wisconsin, and a direct annual tax for paying interest and principal on the loan as they become due.

RESOLVED FURTHER, that no money obtained by the County of Iowa by such loan from Farmers Saving Bank be applied or paid out for any purpose except financing the purchase of Highway Capital Projects without the consent of Farmers Savings Bank.

RESOLVED FURTHER, that when the financing is received from Farmers Savings Bank, that the chairman and clerk of the County of Iowa, Wisconsin, are authorized and empowered, in the name of the county to execute and deliver to Farmers Savings Bank, certificates of indebtedness, in such form as required by Farmers Savings Bank, for any sum of money that may be loaned to the county pursuant to this resolution. The County Board Chairperson and County clerk will perform all necessary actions to fully carry out the provisions of chapter 67, Wisconsin Statutes, and these resolutions.

RESOLVED FURTHER, that this preamble and these resolutions and the aye and no vote by which they were adopted, be recorded, and that the clerk of this county forward this certified record to Farmers Savings Bank.

Adopted, approved and recorded November 9, 2021.

RESOLUTION NO. 13-1121

Notice on Intent to Issue Financing Regarding the Purchase of Capital Equipment and Projects – Revised Amount from Resolution 6-1120

WHEREAS, Resolution 6-1120 was adopted November 9, 2021 by the Iowa County Board and the equalized valuation is higher than projected in the original calculations and results in an increase in the amount to be financed from \$1,137,000 to \$2,480,022; and

WHEREAS, the County of Iowa, Wisconsin (the “Issuer”) plans to purchase capital equipment and projects (the “Project”) for multiple departments; and

WHEREAS, Iowa County adopts a capital improvement plan each year and some of the equipment was removed due to lack of available funding; and

WHEREAS, Iowa County’s goal is to keep the overall tax levy flat and utilize short-term borrowing and additional debt levy to achieve this goal; and

WHEREAS, the Issuer expects to finance the Project on a short-term basis by issuing financing through the State Trust Fund Loan Program (STFL), promissory notes, or through a financial institution (collectively, the “Financing”); and

WHEREAS, because the financing will not be issued prior to commencement of the project, the Issuer must provide interim financing to cover costs for the Project incurred prior to receipt of the proceeds of the Financing; and

WHEREAS, the County of Iowa (the “Governing Body”) of the Issuer deems it to be necessary, desirable, and in the best interests of the Issuer to advance moneys from its funds on hand on an interim basis to pay the costs of the Project until the Financing is issued;

WHEREAS, the Executive Committee recommends to the Iowa County Board to issue financing up to \$2,480,022 to purchase equipment and capital projects in 2021 and 2022 with a term of six months; and

NOW, THEREFORE, BE IT RESOLVED the Iowa County Board approves the recommendation of the Iowa County Executive Committee and authorizes the financing up to \$2,480,022 for the purchase of equipment and capital projects for the Capital Projects Fund; and

NOW, THEREFORE, BE IT FURTHER RESOLVED by the Governing Body of the Issuer that:
Section 1. Expenditure of Funds. The Issuer shall make expenditures as needed from its funds on hand to pay the cost of the Project until proceeds of the Financing become available.

Section 2. Declaration of Official Intent. The Issuer hereby officially declares its intent under Treas. Reg. Section 1.150-2 to reimburse said expenditures with proceeds of the Financing, the principal amount of which is not expected to exceed \$2,480,022.

Section 3. Unavailability of Long-Term Funds. No funds for payment of the Project from sources other than the Financing are, or are reasonable expected to be, reserved, allocated on a long-term basis, or otherwise set aside by the Issuer pursuant to its budget or financial policies.

Section 4. Public Availability of Official Intent Resolution. The Resolution shall be made available for public inspection at the office of the Issuer's County Clerk within 30 days after its approval in compliance with applicable State law governing the availability of records of official acts including Subchapter II of Chapter 19, and shall remain available for public inspection until the Financing is issued.

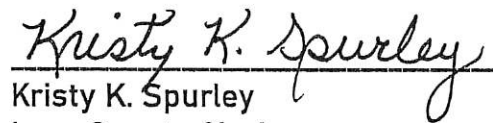

Section 5. Effective Date. This Resolution shall be effective upon its adoption and approval.

Such committee transfers shall not exceed the amount set up in the contingent fund as adopted in the annual budget, nor aggregate in the case of an individual office, department, or activity in excess of 10 percent of the funds originally provided by such office, department, and activity in such annual budget. The changes shall be published in a class 1 notice thereof under W§ ch. 985, within 10 days after any change is made; and

BE IT FURTHER RESOLVED that, upon receiving notice of grant or program opportunities offered by various federal, state, local and other outside organizations, the County Administrator or designee be, and is hereby designated as the agent to execute the necessary grant or program application and other documentation, unless the terms of the grant or program require specific actions by the Board, to give such assurances as may be required by the agreement subject to approval as to form by legal review and to provide such additional information as may be required by the awarding organization. Funding awarded shall be subject to appropriation by the Board of Supervisors prior to expenditure; and

BE IT FURTHER RESOLVED that interest earned on all funds including grant and program awards received from Federal, State, local and other outside organizations be, and is hereby, as allowed by law, appropriated for purposes of managing the General Fund unless restricted or prohibited by the program; and

BE IT FURTHER RESOLVED that additional funds received for various County programs, including contributions and donations be, and are hereby, appropriated for the purposes established by each program; and

BE IT FURTHER RESOLVED that this budget adoption shall be considered a categorical authorization and Department Heads shall have the authority to expend or receive funds within their respective budgets without regard to specific line items but may not exceed appropriations within or transfer appropriations between the following categories without prior Executive Committee approval:

- REVENUE
- EXPENDITURES

BE IT FURTHER RESOLVED that the County maintain an unrestricted undesignated General Fund reserve account balance maintained at a minimum level of 20% and a maximum level of 25% for the purposes of maintaining necessary cash flows, emergency appropriations as authorized by a 2/3 vote of the County Board's full membership, and serve as a "rainy day fund"; and

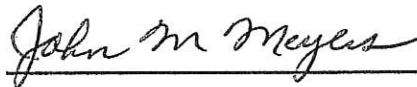

BE IT FURTHER RESOLVED that the monies be, and are hereby, appropriated for fiscal year 2022 in the various funds for continuing capital and special projects shall not exceed the Restricted, Committed and Assigned Fund Balances as recorded in the County's audited accounting records. The Finance Department shall advise the Executive Committee in writing of all such actions as outlined in this resolution and make periodic reports to the Standing Committees on their respective Department's budget status.
