AVAILABLE DIGITAL DATASETS

Parcel Feature Dataset: *Includes parcel polygons, parcel lines, parcel identification numbers, parcel dimensions, parcel acreages and platted land polygons and annotation.* Status: Maintenance

Development Dataset: *Includes zoning polygons.* Status: Maintenance

Streets Dataset: *Includes road centerlines and street name and address annotation.* Status: Maintenance

Political Features Dataset: *Includes civil division polygons, supervisory districts polygons, school district polygons.* Status: Maintenance

Public Land Survey System Feature Dataset: *Includes section corners, PLSS lines, PLSS annotation and polygons for townships, sections, quarter sections & quarter-quarter sections.* Status: Maintenance

Recreational Features Dataset: *Includes points for boat landings, campsites and point of interest, recreational trails and polygons for campgrounds and parks.* Status: Development

Cemetery Feature Dataset: *Includes cemetery and plot polygons, lot line work and annotation.* Status: Development

Past Parcel Feature Dataset: *Includes parcel polygons, parcel lines, parcel identification numbers, parcel dimensions, parcel acreages and platted land polygons and annotation as they appeared at the end of the selected year (2004-present).* Status: Archived

Request Year:

Orthophotography: *Countywide black & white orthophotography is available for the years 1968 (1 foot resolution), 1995 (3 foot resolution, 2002 & 2005 (both 18 inch resolution). 1968 and 2005 orthophotography is available in MrSID format, 1995 and 2002 orthophotography is available in TIFF format..* Status: Archived

Request Year:

Request Area(*Countywide or Section Township & Range*):

All datasets are distributed in an Arc 9.2 personal geodatabase format in the Iowa County Coordinate System. A \$50 conversion fee will be applied if another format or projection is desired.

Yes

If yes, fill out information below

Would you like the data in a different format or projection?

No

Desired Format (\$50 Setup Fee) :

Desired Projection (\$50 Setup Fee) :

All datasets are projected in the Iowa County Coordinate system. A \$50 conversion fee will be applied if another format or projection is desired. If a dataset's status is listed as development then the dataset is not complete. You can contact our office to determine the percent complete of the dataset prior to ordering. ***Remember to fill out the top of the previous page and sign the bottom***
